Section 1 - Introduction

This directory provides a list of Alterwood Advantage's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have to choose one of our network providers who are listed in this directory to be your Primary Care Provider (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your health care services from your PCP.

Your PCP is a Physician whose specialty is Family Practice, Internal Medicine, General Practice, Geriatrics and a Physician's Assistant or Certified Nurse Practitioner in those fields who meets state requirements and are trained to give you basic medical care. You will get your routine or basic care from your PCP. Your PCP will also "coordinate" your health care. "Coordinating" your care includes checking or consulting with other plan providers and specialists about your care and how it is going. In some cases, your PCP will need to get prior authorization (prior approval) from us. Since your PCP will provide and coordinate your medical care, you should have all of your past medical records sent to your PCP's office.

The "network providers" listed in this directory have agreed to provide you with your health care, vision, dental, and behavioral health services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers. Other physicians/ providers are available in our network.

"Non-Network" providers are those who are not part of Alterwood Advantage network. As a member of our plan you must use network providers. The following services are covered out-of-network: emergency care, urgent care and out-of-area dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor Alterwood Advantage will be responsible for the costs.

Submitting a Bill for a Non-Network Provider

You should never pay any out-of-network provider more than what the provider is allowed by Medicare. Ask the out-of-network provider to bill us first. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you get a bill for the services, you can send the bill to us for payment. We will pay your out-of-network provider directly for our share of the bill and will let you know the amount, if any, you must pay.

Non-Network Providers should submit their claims electronically via Electronic Data Interchange (EDI). The payor ID for our Clearinghouse, Change Healthcare is RP016.

Non-Network Providers can obtain additional information about submitting claims through Change Healthcare by calling 866-506-2830 or visiting the website at http://www.changehealthcare.com.

Paper claims should be submitted to:

Alterwood Advantage
PO Box 981832
El Paso, TX 79998-1832

If a Non-Network Provider does not bill us and requires that you pay them, you can submit a copy of the Non-network Provider's claim and proof of your payment to us for reimbursement based on your benefit plan to:

Alterwood Advantage
PO Box 4175
Timonium, MD 21094
Attn: Claims

Coverage While Traveling

You are allowed to receive care while traveling outside of the service area. If you have questions about your medical cost when traveling, please call our Member Service Department at the phone numbers on the front and back cover. Or, visit www.alterwoodadvantage.com

Medical Emergency

A "medical emergency" is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

If you have a medical emergency:

- **Get help as quickly as possible.** Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do not need to get approval from us.
- **As soon as possible, make sure that our plan has been told about your emergency.** We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Please call Member Services at the phone numbers on the front and back cover of this directory. The phone numbers are also on the back of your plan membership card.

You may get covered emergency medical care whenever you need it, anywhere in the United States or its territories. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. For more information, see the Medical Benefits Chart in your Evidence of Coverage.

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by outofnetwork providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

What happens if your situation was not a Medical Emergency?
Sometimes it can be hard to know if you have a medical emergency. For example, you might go in for emergency care – thinking that your health is in serious danger – and the doctor may say that it was not a medical emergency after all. If this happens, you are still covered for the care you received to determine what was wrong, as long as you thought your health was in serious danger as explained above. We will pay our portion of the covered additional care from an out-of-network provider if you are out of our service area, as long as the additional care you receive meets the definition of "urgent care".

Urgent Care

Urgent care refers to a non-emergency situation when you are:

- Inside the United States
- Temporarily out of the Plan's service area
- In need of medical attention right away for an unforeseen illness, injury, or condition, and
- It is not reasonable, given the situation, for you to obtain medical care through the Plan's participating provider network.

Note: Under unusual and extraordinary circumstances, care may be considered urgent and paid for by our Plan when the member is in the service area, but the provider network of the Plan is not available.

The difference between a Medical Emergency and Urgent Care
The two main differences between urgent care and a medical emergency are in the danger to your health and your location. A "medical emergency" occurs when you reasonably believe that your health is in serious danger, whether you are in or out of the service area. "Urgent Care" is when you need medical help for an unforeseen illness, injury, or condition, but your health is not in serious danger.

Emergency care can always be obtained in or out of the service area from the nearest available provider.

When in the service area you must use plan providers for urgent care. When out of the service area urgent care may be obtained from the first available provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider.

You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. **If you obtain routine care from out-of-network providers, neither Medicare nor Alterwood Advantage will be responsible for the costs.**

How do you find Alterwood Advantage providers in your area?

In this directory, PCPs are categorized by their office location in alphabetical order. To find a PCP in your area, look by county, then specialty and then city. Specialists are categorized by their specific specialty alphabetically. To find a specialist, look by specialty, then county, then city and find one in your area. If you already know the name of your PCP and/or Specialist, refer to the index to find your provider. Hospitals and other facilities are listed by facility type.

If you have questions about Alterwood Advantage or require assistance in selecting a PCP, please call our Member Services Department at 1-667-262-9412 or toll-free at 1-866-675-3944, (TTY: 711), 8 am to 8 pm local time, 7 days-a-week from October 1 through March 31; and 8 am to 8 pm, local time, Monday through Friday from April 1 through September 30. Or, visit www.alterwoodadvantage.com

1. Go to the Alphabetical Index, which is the last section of the directory.
2. Find the doctor by last name and the page number(s) on which he or she is listed.
3. Go to that page number for information on the PCP.

Alterwood Advantage (HMO) Plan

2024
Pharmacy Directory

This pharmacy directory was updated on July 10, 2024. For more recent information or other questions, please contact us, Alterwood Advantage Member Services at 1-866-267-3144 or, for TTY users, 711, 24 hours a day / 7 days a week, or visit www.AlterwoodAdvantage.com.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at www.AlterwoodAdvantage.com. You may also call Member Service at 1-866-267-3144 (TTY/TDD users should call 711) for updated information.

Introduction: This booklet provides a list of Alterwood Advantage's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Alterwood Advantage's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Alterwood Advantage only if they are filled at a network pharmacy [or through our mail order pharmacy service]. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your

prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of July 10, 2024. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside the Alterwood Advantage service area, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this directory on Network Pharmacies Outside of Alterwood Advantage's Service Area or call Member Services 1-866-267-3144 (TTY users 711).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Mail Order Pharmacy

You can get prescription drugs shipped to your home through our neetwork mail order delivery program listed below.

Elixir Pharmacy
7835 Freedom Ave. N.W.
North Canton, OH 44720
1-866-909-5170

If you have used mail order services with your current plan before, or if you opt in now, our pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting us at 1-866-267-3144 (TTY users 711). If you never had mail order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 21 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling Member Services at 1-866-267-3144 (TTY users 711).

Typically, you should expect to receive your prescription drugs within 30 days. If you do not receive your prescription drug(s) within this time, please contact us at Member Services 1-866-267-3144 and TTY number/TRS Relay number 711.

Network pharmacies outside the counties of Anne Arundel, Baltimore, Baltimore City, Caroline, Carroll, Cecil, Charles, Dorchester, Harford, Howard, Kent, Montgomery, Prince George's, Queen Anne's, Somerset, Talbot, Washington, Wicomico, and Worcester can be found at www.AlterwoodAdvantage.com under Find a Medication / Find a Pharmacy / Search Pharmacies.

Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies

Only Native Americans and Alaska Natives have access to Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies through Alterwood Advantage's pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g., emergencies). Please contact us at Member Services 1-866-267-3144 (TTY users 711) for an ITU pharmacy.

The remainder of the Pharmacy Directory lists network pharmacies in Maryland and select network pharmacies in Ohio and Delaware. They are grouped in the following categories:

1) Retail Pharmacies

2) Long-Term Care Pharmacies

Residents of a long-term care facility may access their prescription drugs covered under Alterwood Advantage through the facility's long-term care pharmacy or another network long-term care pharmacy.

3) Home Infusion Therapy Pharmacies

Note: All network pharmacies may dispense up to a 90-days supply of a prescription. Refer to your Alterwood Advantage Evidence of Coverage for more information on your Part D coverage, deductible, copay, and coinsurance.
