ABOUT THE DRUGS WE COVER IN THIS PLAN**

HPMS Approved Formulary File Submission ID 00024449, Version 10

This formulary was updated on 03/19/2024. For more recent information or other questions, please contact Alterwood Advantage Member Service at 1-866-267-3144 (TTY users should call 711), 24 hours a day, 7 days a week, or visit [www.AlterwoodAdvantage.com](http://www.AlterwoodAdvantage.com).

**Note to existing members:** This formulary has changed since last year. Please review this document to make sure that it still contains the drugs you take.

When this drug list (formulary) refers to “we,” “us”, or “our,” it means Alterwood Advantage, Inc. When it refers to “plan” or “our plan,” it means Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value.

This document includes a list of the drugs (formulary) for our plan which is current as of 03/19/2024. For an updated formulary, please contact us. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

You must generally use network pharmacies to use your prescription drug benefit. Benefits, formulary, pharmacy network, and/or copayments/coinsurance may change on January 1, 2024, and from time to time during the year.

## **What is the Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value Formulary?**

A formulary is a list of covered drugs selected by Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value in consultation with a team of health care providers, which represents the prescription therapies believed to be a necessary part of a quality treatment program. Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value will generally cover the drugs listed in our formulary as long as the drug is medically necessary, the prescription is filled at a Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value network pharmacy, and other plan rules are followed. For more information on how to fill your prescriptions, please review your Evidence of Coverage.

For a complete listing of all prescription drugs covered by Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value, please visit our website or call us. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

### **Can the Formulary (drug list) change?**

Most changes in drug coverage happen on January 1, but Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value may add or remove drugs on the Drug List during the year, move them to different cost-sharing tiers, or add new restrictions. We must follow the Medicare rules in making these changes.

**Changes that can affect you this year:** In the below cases, you will be affected by coverage changes during the year:

- **New generic drugs.** We may immediately remove a brand-name drug on our Drug List if we are replacing it with a new generic drug that will appear on the same or lower cost-sharing tier and with the same or fewer restrictions. Also, when adding the new generic drug, we may decide to keep the brand-name drug on our Drug List, but immediately move it to a different cost-sharing tier or add new restrictions. If you are currently taking that brand-name drug, we may not tell you in advance before we make that change, but we will later provide you with information about the specific change(s) we have made.
  - If we make such a change, you or your prescriber can ask us to make an exception and continue to cover the brand-name drug for you. The notice we provide you will also include information on how to request an exception, and you can find information in the section below titled “How do I request an exception to the Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value Formulary?”
- **Drugs removed from the market.** If the Food and Drug Administration deems a drug on our formulary to be unsafe or the drug’s manufacturer removes the drug from the market, we will immediately remove the drug from our formulary and provide notice to members who take the drug.
- **Other changes.** We may make other changes that affect members currently taking a drug. For instance, we may add a generic drug that is not new to the market to replace a

brand-name drug currently on the formulary, or add new restrictions to the brand-name drug or move it to a different cost-sharing tier or both. Or we may make changes based on new clinical guidelines. If we remove drugs from our formulary, or add prior authorization, quantity limits and/or step therapy restrictions on a drug, we must notify affected members of the change at least 30 days before the change becomes effective, or at the time the member requests a refill of the drug, at which time the member will receive a 30-day supply of the drug.

- If we make these other changes, you or your prescriber can ask us to make an exception and continue to cover the brand-name drug for you. The notice we provide you will also include information on how to request an exception, and you can also find information in the section below entitled “How do I request an exception to the Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value’s Formulary?”

**Changes that will not affect you if you are currently taking the drug.** Generally, if you are taking a drug on our 2024 formulary that was covered at the beginning of the year, we will not discontinue or reduce coverage of the drug during the 2024 coverage year except as described above. This means these drugs will remain available at the same cost-sharing and with no new restrictions for those members taking them for the remainder of the coverage year. You will not get direct notice this year about changes that do not affect you. However, on January 1 of the next year, such changes would affect you, and it is important to check the Drug List for the new benefit year for any changes to drugs.

The enclosed formulary is current as of 03/19/2024. To get updated information about the drugs covered by Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value, please contact us. Our contact information appears on the front and back cover pages.

## **How do I use the Formulary?**

There are two ways to find your drug within the formulary:

### **Medical Condition**

The formulary begins on page 12. The drugs in this formulary are grouped into categories depending on the type of medical conditions that they are used to treat. For example, drugs used to treat a heart condition are listed under the category, CARDIOVASCULAR AGENTS. If you know what your drug is used for, look for the category name in the list that begins on page 10. Then look under the category name for your drug.

### **Alphabetical Listing**

If you are not sure what category to look under, you should look for your drug in the Index that begins on page 106. The Index provides an alphabetical list of all of the drugs included in this document. Both brand-name drugs and generic drugs are listed in the Index. Look in the Index and find your drug. Next to your drug, you will see the page number where you can find coverage information. Turn to the page listed in the Index and find the name of your drug in the first column of the list.

## **What are generic drugs?**

Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value covers both brand-name drugs and generic drugs. A generic drug is approved by the FDA as having the same active ingredient as the brand-name drug. Generally, generic drugs cost less than brand-name drugs.

## **Are there any restrictions on my coverage?**

Some covered drugs may have additional requirements or limits on coverage. These requirements and limits may include:

- **Prior Authorization:** Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value requires you [or your physician] to get prior authorization for certain drugs. This means that you will need to get approval from Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value before you fill your prescriptions. If you don't get approval, Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value may not cover the drug.
- **Quantity Limits:** For certain drugs, Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value limits the amount of the drug that Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value will cover. For example, Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value provides 30 tablets per prescription for *amlodipine-atorvastatin oral tablet 10-10mg*. This may be in addition to a standard one-month or three-month supply.
- **Step Therapy:** In some cases, Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value may not cover Drug B unless you try Drug A first. If Drug A does not work for you, Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value will then cover Drug B.

You can find out if your drug has any additional requirements or limits by looking in the formulary that begins on page 12. You can also get more information about the restrictions applied to specific covered drugs by visiting our website. We have posted online documents that explain our prior authorization and step therapy restrictions. You may also ask us to send you a copy. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

You can ask Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value to make an exception to these restrictions or limits or for a list of other, similar drugs that may treat your health condition. See the section, "How do I request an exception to the Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value's formulary?" on page 5 for information about how to request an exception.

## **What if my drug is not on the Formulary?**

If your drug is not included in this formulary (list of covered drugs), you should first contact Member Services and ask if your drug is covered.

If you learn that Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value does not cover your drug, you have two options:

- You can ask Member Services for a list of similar drugs that are covered by Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value. When you receive the list, show it to your doctor and ask them to prescribe a similar drug that is covered by Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value.
- You can ask Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value to make an exception and cover your drug. See below for information about how to request an exception.

## **How do I request an exception to the Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value Formulary?**

You can ask Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value to make an exception to our coverage rules. There are several types of exceptions that you can ask us to make.

- You can ask us to cover a drug even if it is not on our formulary. If approved, this drug will be covered at a pre-determined cost-sharing level, and you would not be able to ask us to provide the drug at a lower cost-sharing level.
- You can ask us to waive coverage restrictions or limits on your drug. For example, for certain drugs, Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value limits the amount of the drug that we will cover. If your drug has a quantity limit, you can ask us to waive the limit and cover a greater amount.

Generally, Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value will only approve your request for an exception if the alternative drugs included on the plan's formulary, the lower cost-sharing drug or additional utilization restrictions would not be as effective in treating your condition and/or would cause you to have adverse medical effects.

You should contact us to ask us for an initial coverage decision for a formulary or utilization restriction exception. **When you request a formulary or utilization restriction exception you should submit a statement from your prescriber or physician supporting your request.**

Generally, we must make our decision within 72 hours of getting your prescriber's supporting statement. You can request an expedited (fast) exception if you or your doctor believe that your health could be seriously harmed by waiting up to 72 hours for a decision. If your request to expedite is granted, we must give you a decision no later than 24 hours after we get a supporting statement from your doctor or other prescriber.

## **What do I do before I can talk to my doctor about changing my drugs or requesting an exception?**

As a new or continuing member in our plan you may be taking drugs that are not on our formulary. Or, you may be taking a drug that is on our formulary but your ability to get it is limited. For example, you may need a prior authorization from us before you can fill your prescription. You should talk to your doctor to decide if you should switch to an appropriate drug that we cover or request a formulary exception so that we will cover the drug you take. While you talk to your doctor to determine the right course of action for you, we may cover your drug in certain cases during the first 90 days you are a member of our plan.

For each of your drugs that is not on our formulary or if your ability to get your drugs is limited, we will cover a temporary 30-day supply. If your prescription is written for fewer days, we'll allow refills to provide up to a maximum 30-day supply of medication. After your first 30-day supply, we will not pay for these drugs, even if you have been a member of the plan less than 90 days.

If you are a resident of a long-term care facility and you need a drug that is not on our formulary or if your ability to get your drugs is limited, but you are past the first 90 days of membership in our plan, we will cover a 31-day emergency supply of that drug while you pursue a formulary exception.

If you experience a level of care change such as a move from a hospital to a home setting or a move from a skilled nursing facility to a home setting, we may cover a one-time temporary supply of drug(s) not on our formulary when filled at a network pharmacy. This temporary one-time supply must be for up to 30-day supply (or up to a 31-day supply if you reside in a long-term care facility).

You and your provider will receive a letter in the mail indicating that you have received a temporary supply. Please discuss with your provider the drugs listed in the Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value formulary. You or your provider may request continuation of coverage for the temporary drug supply through the plan's exception process before you run out of medication(s).

## **For more information**

For more detailed information about your Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value prescription drug coverage, please review your Evidence of Coverage and other plan materials.

If you have questions about Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value, please contact us. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

If you have general questions about Medicare prescription drug coverage, please call Medicare at 1-800-MEDICARE (1-800-633-4227) 24 hours a day/7 days a week. TTY users should call 1-877-486-2048. Or, visit <http://www.medicare.gov>.

## **Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value Formulary**

The formulary provides coverage information about the drugs covered by Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value. If you have trouble finding your drug in the list, turn to the Index that begins on page 106.

The first column of the chart lists the drug name. Brand-name drugs are capitalized (e.g., LEVOXYL ORAL TABLET 100 MCG) and generic drugs are listed in lower-case italics (e.g., *levothyroxine sodium oral tablet 100 mcg*).

The information in the Requirements/Limits column tells you if Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value has any special requirements for coverage of your drug.

You can find information on what the symbols and abbreviations on this table mean by going to page 9.

**Important Message About What You Pay for Vaccines** - Our plan covers most Part D vaccines at no cost to you, even if you haven't paid your deductible. Call Member Services for more information.

**Important Message About What You Pay for Insulin** - You won't pay more than \$11.20 for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on, even if you haven't paid your deductible.

Your 2024 Part D copay varies depending on the “extra help” you receive and the type of drug (i.e., generic drugs or all other drugs). Also, the allowed drug days supply varies depending on where you get your drug(s) – see table below.

<b>For generic drugs (including brand drugs treated as a generic):</b>	
<i>Copays*</i>	<i>Drug Days Supply**</i>
\$0, \$1.55, or \$4.50	Retail and Mail Order: Up to 90 days Long Term Care (LTC): Up to 31 days Out-of-Network (OON): Up to 10 days
<b>For all other drugs:</b>	
<i>Copays*</i>	<i>Drug Days Supply**</i>
\$0, \$4.60, or \$11.20	Retail and Mail Order: Up to 90 days LTC: Up to 31 days OON: Up to 10 days

\*Copay varies based on the “extra help” you receive. You will pay the lower of the cost of your prescription or your copay described above. Once you reach the Catastrophic Coverage stage, you will pay \$0.

\*\*LTC drugs greater than a 31-day supply and OON drugs greater than a 10-day supply are not covered.

The following abbreviations can be found in the Alterwood Advantage Dual Secure and Alterwood Advantage Dual Value formulary:

Abbreviation/Symbol	Definition
BvD	Part B vs. Part D - This prescription drug may be covered under Medicare Part B or D depending upon the circumstances. Information may need to be submitted describing the use and setting of the drug to make the determination.
PA	Prior Authorization - You (or your physician) are required to get prior authorization before you fill your prescription for this drug. Without prior approval, we may not cover this drug.
QL	Quantity Limit - There is a limit on the amount of this drug that is covered per prescription, or within a specific time frame.
ST	Step Therapy - In some cases, you may be required to first try certain drugs to treat your medical condition before we will cover another drug for that condition.
NMO	This prescription is not available via mail order.

Your pharmacist will review the drugs you are taking and will contact your provider as needed to discuss potential safety or dosing concerns. For example, there is a seven days supply limitation on your first fill of an opioid prescription obtained at an Alterwood network pharmacy. This is in place to reduce the risk of developing opioid use disorder. If greater than a seven days supply of an opioid is needed, a PA is required. You or your provider may initiate a PA by calling 667-261-8050 or 1-866-267-3144.

This formulary was updated on 03/19/2024. For more recent information or other questions, please contact Alterwood Advantage Member Service at 1-866-267-3144 (TTY users should call 711) 24 hours a day, 7 days a week, or visit [www.AlterwoodAdvantage.com](http://www.AlterwoodAdvantage.com)

This formulary was updated on 03/19/2024. For more recent information or other questions, please contact Alterwood Advantage Member Services, at 1-866-267-3144 (TTY users should call 711), 24 hours a day, 7 days a week, or visit [www.AlterwoodAdvantage.com](http://www.AlterwoodAdvantage.com).

Alterwood Advantage is an HMO and HMO-SNP with a Medicare contract and a State of Maryland Medicaid contract. Enrollment in Alterwood Advantage depends on contract renewal.

The Formulary may change at any time. You will receive notice when necessary.

Benefits, formulary, pharmacy network, provider network, premium and/or copay/coinsurance may change on January 1 of each year. Member premiums, copays, coinsurance, and deductibles may vary based on the level of Extra Help you receive. Please contact the plan for further details.

This information is available for free in other languages. Please call our Member Services number at 1-866-267-3144 or (TTY users should call 711), 24 hours a day, 7 days a week. Member Services also has free language interpreter services available for non-English speakers.

You must generally use network pharmacies to use your prescription drug benefit.
